

## Newsletter – first TMI Meeting - 20.09. 2023

### **This is the project of Erasmus+ program 2022-2-NO02-KA220-YOU-000095299**

The PreventMI project, intends to provide Youth Workers with innovative learner-centered methods and digital tools. These resources will aid in preventing migrant youth radicalization through Emotional Intelligence and Transformative learning.

The first Transnational project Meeting (TPM) was held in Valladolid, Spain. The participants were the representatives of all the partners.

The partners presented themselves, their institutions and experiences.

The topics discussed were:

- WP1 - The project at a glance was presented by MiA
- Presentation about WP2 - progress, Q & A etc. LBP

- Quality plan – INQS gave a presentation of the workplan and how collaboration will take place.
- Dissemination plan - recommendations for partners, discussion, INFODEF
- Presentation of WP3- PreventMI e-Learning Platform, INFODEF
- The WP4 Road Map, Q&A. IASIS.

The partners decided modify the date and place of the activities.
